## REPORT OF THE SELECTMEN

---

*To the Citizens and Taxpayers of Haverhill:*

The selectmen submit herewith their report for the year ending February 15, 1914.

It is the desire of the selectmen to present such a report as will give the taxpayers a clear understanding of their town affairs, and they think they have done so in the information given on the following pages. Many taxpayers do not wish to spend the time (which is to be regretted) to look through the details of a town report, and your selectmen, therefore, would briefly call your attention to a few facts and statements.

The valuation of the town the past year shows a slight decrease, noticeably—the item of money at interest. The town is owing no notes, and has no outstanding orders. Payment has been made of \$3,000 of town bonds, leaving the amount of bonds outstanding \$12,000.

It is gratifying to note that there were no paupers chargeable to the town during the past year and that the County Poor and Quarantine accounts both show a decrease from last year.

As to highways: for ordinary repairs there was about the usual amount expended. At the last March meeting the town voted a special appropriation of \$2,000 and this money was expended on two roads; the road running easterly from North Haverhill to Pike and the Oliverian Brook road. The state highway (or Trunk Line, so called), follows the Connecticut River from the Piermont town line to Cottage Hospital and thence easterly to the Bath town line. From Piermont line to said hospital the road was completed last year. Money was raised at the last town meeting to complete this highway from the hospital to the Bath line, but

the state highway department was unable to finish its work. It should be remembered, however, that there is sufficient money provided to complete this highway. Acting upon a vote of the town as to repairing the old Haverhill-Newbury bridge or building a new bridge, your board, acting with the selectmen of Newbury, Vt., decided it was for the interest of the town to build a new bridge. No appropriation was made for this bridge, but a new first-class steel bridge, with concrete flooring, has been built and the pier and abutments strongly re-enforced with cement and iron. The total cost of the bridge was a little over \$20,000 making the cost to the town of Haverhill about \$10,000, all of which has been paid.

The net debt of the town is now \$8,464.37 which is an increase of \$2,394.86 over last year. This increase was brought about by paying for the Haverhill-Newbury bridge. Had the town raised money to pay for this bridge it would today be practically out of debt.

In closing this report, your selectmen wish to record the great loss which the town has sustained in the removal by death of Charles J. Pike, who last March was your choice for first selectman. His service for a period of nearly seventeen years was marked by faithful and devoted efficiency, for which the members of the present board, each of whom had served with him as a colleague, wish to express unqualified appreciation. By his death the town loses one of its most useful and honored citizens.

Following is the report in detail:

## AUDITOR'S REPORT

---

*To the Taxpayers of the Town of Haverhill:*

Your auditors have examined, in detail, the books and accounts of the town treasurer, selectmen, and road agents. The books are correctly kept, the accounts vouched, and the reports as prepared for the printer are hereby approved.

The various trust funds are as reported, intact, and properly invested. All unexpended balances of the income of these funds have been added to their respective funds, and each fund is now kept in every sense distinct and separate.

Cash and securities belonging to the town are intact as reported.

In our presence and that of the town treasurer, town bonds numbered 43, 44 and 45, each of the denomination of one thousand dollars (\$1,000) also coupons numbered 29 and 30 due on all outstanding bonds amounting to six hundred dollars (\$600) were destroyed by burning.

WILLIAM F. WHITCHER,  
NORMAN J. PAGE,

*Auditors.*
